KACE ASSISTED LIVING WORKSHOP

CONTINUING EDUCATION: This course has been approved for 6.0 continuing education hours in the core area of Administration for Licensed Adult Care Home Administrators and Registered Operators by the Kansas Department for Aging and Disability Services. Health Occupations and Credentialing approved provider number (KDADS LTS# A1427).

DESCRIPTION:

There are so many facets to being an operator these days. This class is designed to help assisted living/residential healthcare/home plus operators with the fundamentals needed to successfully operate an adult care home. The class provides an overview of the relationship between the functional capacity screen, negotiated service agreement, and health service plan. Regulations that impact day-to-day operations will be explored. The class will also identify ways to successfully prepare for the survey process. Participants will examine ways to work with families, improve workplace culture, provide resident-centered dementia care, and explore ways to expand services with today's escalating acuity.

OBJECTIVES:

At the conclusion of this workshop, attendees will be able to:

- Learn general assisted living concepts;
- Discuss the relationship between the functional capacity screen, negotiated service agreements and health service plan;
- Explain medication management and other regulations that impact day-to-day operations;
- Identify ways to successfully prepare for the survey process;
- Discuss where workplace culture starts and ways it can be improved;
- Ensure staff provide resident-centered dementia care based on thorough knowledge of each person's abilities and needs; and,
- Identify the causes of escalating acuity and describe methods to adapt.
