The Joint Provider Training Series is brought to you through a collaboration with the Kansas Department for Aging and Disability Services, LeadingAge Kansas, the Kansas Health Care Association and the Kansas Adult Care Executives

Objectives

- Discuss universal pressure ulcer precautions
- Describe how to use the Braden Scale scores to individualized prevention plans
- Explain the process of root cause analysis to determine if a pressure ulcer is unavoidable
- Describe how to identify wounds commonly confused with pressure ulcers
- Identify best practices for treatment of all 6 stages of pressure ulcers

Speaker - Joyce M. Black, PhD, RN, FAAN

Dr. Joyce Black is an Associate Professor in the Adult Health and Illness Department of the University of Nebraska Medical Center (UNMC), College of Nursing. She has taught undergraduate students basic concepts, medical surgical nursing and ICU nursing. Dr. Black has received awards from UNMC and the College for her teaching. Her research areas of interest are in wound healing, specifically in pressure ulcers. Dr. Black's dissertation examined the patient and wound factors that contributed to healing or non-healing of diabetics with pressure ulcers. She is certified in wound healing, plastic surgical nursing and is a Fellow in the American Professional Wound Care Association. Dr. Black is the current President of the National Pressure Ulcer Advisory Panel (NPUAP) and chairman of the NPUAP's task force to redefine pressure ulcer staging.
