

Reporting Requirements for Abuse, Neglect, and Exploitation

Course Information

Title: Reporting Requirements for Abuse, Neglect, and Exploitation

Presented By:

Melissa St. John

Melissa (Mille) St. John, MSN, has worked in long term care for over 20 years. Melissa is currently the Resource Nurse at Kansas Adult Care Executives (KACE). Prior to her position at KACE, Melissa worked at Kansas Department for Aging and Disability Services (KDADS) for over 10 years in the Survey, Certification, and Credentialing Commission. Melissa has also worked as a CNA, CMA, and nurse in the long-term care setting.

Course Description:

This presentation will cover both federal and state regulations, and scenarios regarding the reporting of abuse, neglect, and exploitation.
